Ex parte FRANCISCO JAVIER GUERRERO MERCADO

Application No. 10/619,169

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on December 1, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below:

On March 16, 2006, appellant filed an Appeal Brief under 37 CFR § 41.37. A review of the file reveals that the "Summary of Claimed Subject Matter," as required by 41.37(c)(1)(v), is not properly set forth. 37 CFR § 41.37(c)(1)(v) which states:

(v) ***Summary of claimed subject matter.*** A concise explanation of the subject matter defined in each of the independent claims involved in the appeal, which shall refer to the specification by page and line number, and to the drawing, if any, by reference characters. For each independent claim involved in the appeal and for each dependent claim argued separately under the provisions of paragraph (c)(1)(vii) of this section, every means plus function and step plus function as permitted by 35 U.S.C. 112, sixth paragraph, must be identified and the structure, material, or acts described in the specification as corresponding to each claimed function must be set forth with reference to the specification by page and line number, and to the drawing, if any, by reference characters.

As indication, the independent claims must be mapped to the disclosure, including specification page and line number, and, if applicable, drawing reference characters.

Furthermore, the mailing of the Reply Brief Noted on October 25, 2006, by the Examiner was returned to the Office as undelivered.

Accordingly, it is

ORDERED that the application is returned to the Examiner:

1) to hold the Appeal Brief of March 16, 2006 defective;

2) to notify applicant to file a substitute Appeal Brief in compliance with 37

CFR § 41.37;

3) for the examiner to consider the substitute Appeal Brief, and if necessary, vacate the examiner's answer mailed June 29, 2006, and issue a revised examiner's answer in accordance with the new rules effective September 13, 2004; and

4) for such further action as may be appropriate.
